

# Michigan Mosquito Control Training Session

The **Michigan Mosquito Control Association** will be sponsoring a full day training course for certified pesticide applicators in mosquito pest management. This course will receive 8 recertification credits in 7F or Commercial Core from the Michigan Department of Agriculture. If you would like to get all of your required recertification credits for category 7F (Mosquito Pest Management) in one day – this is the course for you.

This course will involve 4.5 hours of lectures given by instructors from the MMCA and 3 hours of hands-on training dealing with pesticide safety, community mosquito abatement treatment techniques, mosquito surveillance, selection and calibration of mosquito control equipment and much more. Recent developments with regard to pesticide application regulation will be discussed.

This is one training course that you don't want to miss. If you would like to take advantage of this opportunity, send in the enclosed registration with payment or call/email Chuck Pearce (see contact/payment information below). **Seating is limited and guaranteed seating will be on a first-come basis.** Preregistration is required. (Minimum of 8 registrants is required to hold the course).

## Monday, October 23, 2017 from 8:00 am to 5:00 pm
